The following special terms promotions may be available to you on qualifying purchases if your application is approved. Please ask your merchant which promotions they are offering, including minimum purchase amounts (if any).

Types of special terms promotions that might be available:

- **No Interest if Paid in Full within promotional period (duration of promotion will vary) with regular monthly payments**
This is a deferred interest promotion. This means that if you do not pay off the purchase balance in full within the special terms promotional period, **interest will be charged to your account from the purchase date at the regular APR for Purchases rate of 28.99%**. Paying only the minimum monthly payment will not pay off the purchase balance before the end of the special terms promotional period. To avoid interest charges, you must either pay more than the minimum monthly payment or make a lump sum payment(s) before the end of the special terms promotional period.
- **Special Rate with equal or fixed monthly payments**
A special (reduced) rate will apply until your qualifying purchase is paid in full. Equal or fixed monthly payments are required.

IMPORTANT REMINDER: For No Interest if Paid in Full promotions, you will have to pay interest that accrues at a 28.99% APR from the date of purchase if you do not pay the purchase balance in full within the special terms promotional period.
